

Church Mowing Schedule—2010

The following people have agreed to mow. The teams are as follows:

- Rick and Karen Harrill
- Nelson Nikkel and Gary Klyn
- Wayne Van Mersbergen and Marcia Schutte
- Rod Blunck and Marlow Ten Napel
- Dave Daining and Russ Zondervan
- Stu Van Wyk and Verlan Arkema
- Don Ringgenberg and Howard Wilson

Notes:

- Try to mow toward the end of the week so it looks nice for Sunday.
- If you cannot mow the week you are scheduled, please try to switch with someone on the list or call Brad Vos or Dale De Nooy to substitute.
- Each team can decide how they want to split the tasks for the week.
- You only need to mow if it is needed.
- Stu will check the mower over each week so you don't have to. Just fill with gas and mow.

Tasks included in mowing:

- Fill the mower with gas before you start. When you are done mowing, one of the team will need to go to Braafhart's BP Amoco to fill the cans. Charge it to the church and turn the receipts into the office.
- Mow all grass on the property and the Reflection Garden. Don't mow the prairie grass area.
- Trim edges around the sidewalks, parking lot, edging, trees, and island.
- Remove weeds that you see in cracks of sidewalk and parking lot.
- Clean grass clippings off the sidewalk and parking lot.
