### One minor change...

Please note the ending time change of bucket drumming! Instead of getting done at 7:45 pm, we will be done at 7:30 pm! We planned a 15-minute time of transition between the end of youth group and the beginning of bucket drumming; however, with the number of kids staying for bucket drumming, a time of transition is not needed! We are just going to go right from youth group to bucket drumming! We are currently planning to work towards a drumming performance on a Sunday morning in December during our 10 am Worship Service! More details will come at a later date!

### A Few Reminders...

-Keep wearing your masks to youth group! We have plenty at the doors if you don't have one!

-If your child has/is not been feeling well, please keep them home from youth group! We want to keep everyone healthy!
